

# OREGON COAST

The Magazine for People Who Love the Oregon Coast

**BED AND BREAKFASTS HAVE BEEN SELECTED FOR AN EXCLUSIVE AD SECTION in the July/August 2010 issue!**

Bed and breakfasts provide a different experience from ordinary lodging, and each one has its own unique charm. *Oregon Coast* Magazine reaches many people who come to the coast often and enjoy new experiences. Our new section for special Oregon Coast bed and breakfasts may suit your need perfectly.

**ADS WILL BE IN A SECTION EXCLUSIVELY AVAILABLE FOR BED AND BREAKFASTS.**

Each ad will be a sixth page, with a photo of the property, up to 40 words of description, and contact information. The cost will be a straight \$195 per insertion, which is a discount of more than two thirds from the one-time regular rate. The design will be completely fixed for two reasons. One is to keep the cost down, and the other is to create an attractive pattern of ads that allow us to present a lot of information without looking cluttered.

*Let thousands of travelers to the Oregon Coast know you invite their business.*

**FULL COLOR! EXCLUSIVE AD SECTION PLACEMENT!**

**AD SIZE: 1/6 page \$195**

This section will appear for the first time in the upcoming July/August issue.

The deadline for space reservation and materials will be May 10.

A courtesy proof will be supplied but approval will be assumed if we don't receive corrections before June 1.
