

OREGON COAST

The Magazine for People Who Love the Oregon Coast

**In the July/August 2010 issue:
AN EXCLUSIVE AD SECTION
FOR NEW BUSINESSES**

Readers of *Oregon Coast* Magazine get a copy every two months, and they always want to see what's new on the coast. If your business is new, or you've recently added something substantially fresh, we'd like to have you in our new **New Businesses section**, which will appear in each issue of the magazine.

**ADS WILL BE IN A SECTION EXCLUSIVELY AVAILABLE
FOR NEWLY LAUNCHED OR RE-LAUNCHED ENTERPRISES.**

Two sizes will be offered—1/12 for \$150 and 1/6 for \$275. Both are less than half the cost of a regular ad at the one-time rate.

Eventually, we hope that everyone will book their ad in the first issue after they open their doors, but for the purpose of launching the section, we'll stretch that to include businesses that have been open for a while. If you think of yourself as "new," then we will, too. But only once. This service is for the purpose of a one-time announcement.

Let thousands of travelers to the Oregon Coast know you invite their business.
