

# OREGON COAST

The Magazine for People  
Who Love the Oregon Coast

**In the July/August 2010 issue:  
AN EXCLUSIVE AD SECTION  
FOR OREGON COAST REAL ESTATE**

Do you have a property that you think needs a wider audience than local advertising will reach to find the right buyer? *Oregon Coast* Magazine is read by many people who want to live on the coast or to buy a second home here. Our new section for special Oregon Coast properties may suit your need perfectly.

**ADS WILL BE IN A SECTION DEVOTED  
EXCLUSIVELY TO PROPERTIES  
FOR SALE ON THE OREGON COAST.**

Each ad will be a quarter page, with a photo of the property, up to 50 words of description, the price, and contact information for the listing realtor. The price will be a straight \$295 per insertion, which is a discount of more than half from the one-time regular rate. The design will be completely fixed for two reasons. One is to keep the cost down, and the other is to allow last minute changes. If you sell the property before we go to press, we will make our best effort to swap the photo, text and price, so that you'll have a current listing.

*Many people relocating to the Oregon Coast read OREGON COAST magazine.*

**FULL COLOR! EXCLUSIVE AD SECTION PLACEMENT!**

**AD SIZE: 1/4 page \$295**

This section will appear for the first time in the upcoming July/August issue.

**The deadline for space reservation and materials will be May 10.**

If something sells later than that, we can adjust for a few more days.

A courtesy proof will be supplied but approval is not required.
